THE NEED OF HEALTH CHECK-UP:

Today's lifestyle revolves around stress, unhealthy eating habits, inadequate rest and high levels of pollution. Research all over the World has proven that it is more economical to invest in preventive healthcare rather than treatment of a disease. This cannot only save you a lot of money and distress but also gives you peace of mind - not having to worry about your health.

ABOUT OUR HOSPITAL:

Techno Global Hospital Barrackpore is a super specialty hospital situated in the up-market of Barrackpore. This maiden venture of the Techno India Group, possesses 4 acres of land and 1 lakh square feet of construction area. We promise to provide the best equipped infrastructure with all the facilities as per the contemporary needs. It is also made sure that we offer the utmost comfort, care and guidance for the treatment of patients.

TECHNO GLOBAL WELLNESS PROGRAMME:

We offer you a wide range of screening programmes to suit individual needs. This guide will help you choose the package most suited to you and also prepare you for the check-up. We have a dedicated Health Check-up Cell to answer your queries and dedicated person who will take you through the tests and make you feel comfortable.
